Lan 1 has specifically chosen its IP Security portfolio to provide strong, best of breed security coverage. Whether you need a Common Criteria EAL4+ appliance for a niche task or simply a reliable and effective content filter, Lan 1 has the answer. Quite often a combination of products will provide defence in depth assuring security of access, integrity and confidentiality. Lan 1 offer secure access for corporate road warriors and secure interconnection between data centres. We can also assist with checking the ingress of and egress of data and are not just limited to the physical environment , providing solutions for the virtual world as well. Think Lan 1 for all your IP Security needs.
