

Cameras + Seminar: YOUR KEY TO SUCCESS!

HiRes Complete Video Solutions
high-resolution, digital & cost-effective recording

What is it?

Seeing is believing! MOBOTIX is now offering a Basic Starter Kit to new partners, either direct or indirect. This special demo offer allows you to demonstrate the unbelievable 3 megapixel quality, high resolution and impressive features of the MOBOTIX system as well as the one of a kind hemispheric technology of the Q24!

How does it work?

With this Starter Kit you have the chance to purchase one, two or all five of the MOBOTIX secure models. You even have the opportunity to choose your own lens combination! Place your order with a local distributor of choice and you will receive an extra 10% discount off your order. If you decide to **order the complete set of Secure demo units (M12, D12, M22, D24 and Q24)**, you will receive **two Basic Seminar seats free of charge!**

Who can take advantage of this offer?

This offer is available to all new direct and indirect MOBOTIX partners.

How to order?

Simply contact your local distributor of choice, quote the MOBOTIX Basic Starter Kit and order with the **attached Order Form**. Only fully completed order forms (including lens choice, customer info, etc.) will be processed.

Terms and Conditions

The offer applies only as a one time order. Cameras are for demonstration purposes only (Not for Resale). Seminar vouchers are valid until 6 months after invoice date. Only one offer per partner/customer. Delivery: Ex-works Langmeil, Germany, excl. any taxes.

World's Number 1 in Megapixel

The German company MOBOTIX AG is known as the leading pioneer in network camera technology and its decentralized concept has made high-resolution video systems cost efficient.
